

Career Pathways Program Articulation Agreement

Between

Indian River State College

And

School Board of Indian River County

This agreement ensures that the students of Indian River County are best served by secondary career & technical programs (CTE) and by Indian River State College "IRSC" in all degree/certification programs where articulated credits are applicable. The following is agreed upon by School Board of Indian River County and Indian River State College to ensure that students completing Career Pathways (CTE) Academies be awarded appropriate college credit:

1. School Board of Indian River County graduates may receive college credits or clock hours.
2. Students will be awarded articulation credits upon initial registration at IRSC, except where entrance/competency exams are needed based on program acceptance and/or course placement, and as part of the program selection process in IRSC Educational Services. Credits awarded at program selection are final and a one-time process.
3. Following the provisions of the Southern Association of Colleges and Schools, the articulated courses will be identified as "Tech Prep" or "Career Pathways" in the appropriate discipline and identified on the college transcript as such. The articulated credits will be included on the student's official college transcript with the designation of "satisfactory" and counted toward the appropriate degree or certificate.

Indian River State College's Quad County Career Pathways Consortium and partnered school districts are in compliance with the Code of Federal Regulation §99.31 Exception to Written Consent; therefore, an institution may release personally identifiable information from a student's education record without the student's written consent as required in §99.30 if the disclosure meets one or more of the following conditions:

- The disclosure is to other school officials, including teachers, whom the institution has determined to have legitimate educational interests. A contractor or other party to whom an agency or institution has outsourced institutional services or functions may be considered a school official. An educational agency or institution must use reasonable methods to ensure that school officials obtain access to only those education records in which they have legitimate educational interests.
- The disclosure is to officials of another institution of post-secondary education where the student seeks or intends to enroll.
- The disclosure is to authorized representatives or federal, state or local educational authorities.
- The disclosure is information the educational agency or institution has designated as "directory information."

This Agreement is subject to all pertinent state and federal laws and regulations of the Department of Education, State of Florida, Title VI and VII of the Civil Rights Act of 1964, and all regulations, rules, and guidelines promulgated there under. The parties expressly agree to maintain records in compliance with the Florida Public Records Act subject only to the privacy rights guaranteed by applicable state and federal laws and regulations.

Indian River State College shall indemnify and hold harmless the School Board of Indian River County, and its officers, and their employees, for all liabilities, damages, losses, costs or other obligations including but not limited to, reasonable attorney's fees, to the extent caused by the negligence, recklessness, or intentional act of Indian River State College District Board of Trustees, its agents, employees, guests, invitees, licensees, or assigns to the extent that doing so does not waive the Indian River State College District Board of Trustees' rights to sovereign immunity as provided under Florida Statutes Chapter 768. Precaution shall be exercised at all times for the protection of persons, including employees and property. Consistent with Florida Statute §768.28(19), nothing herein shall require the Indian River State College District Board of Trustees' to indemnify the School Board of Indian River County for the School Board of Indian River County's negligence or to assume liability for the School Board of Indian River County's negligence.

Indian River State College and School District of Indian River, Florida shall provide each other with proof of General Liability Insurance:

School District of Indian River, Florida: Each Occurrence \$1,000,000; General Aggregate \$3,000,000.

Indian River State College: Each Occurrence \$1,000,000; General Aggregate \$3,000,000.
Indian River State College shall provide a Certificate of Liability Insurance listing "School Board of Indian River County" as an "additional insured" with a thirty (30) day notice of cancellation.

Indian State College and School District of Indian River, Florida further agree to secure insurance coverage for its own buildings and contents.

Indian River State College and the School District of Indian River, Florida agree to provide adequate Worker's Compensation insurance coverage as required by Chapter 440.F.S. Specifically, nothing contained herein shall be deemed a waiver of Sovereign Immunity or any statutory limitation on liability of either party. Notwithstanding anything stated in this Agreement to the contrary, this Agreement and all provisions contained herein shall be subjected to and governed by Sec. 768.28, F.S., as amended.

Specifically, neither party shall exclude any person from participation, discriminate against, or deny any services or benefits to any person enrollment or participation in the dual enrollment program based upon the grounds of race, color, sex, religion, mental or physical disability, age, political affiliation, belief, national origin, marital status, sexual orientation or perceived sexual orientation, or association with any person with, or perceived to have, one or more of the above named characteristics.

This agreement will be effective upon signing by the district superintendent, the college president, and their respective board chairman. This agreement will include 2022 high school graduates. This agreement certifies that the secondary level instruction of Career Pathways/Tech Prep students is in compliance with the requirements set forth by the Southern Association of Colleges and Schools. This agreement allows for modifications to be made at any time upon the mutual agreement of the college president and the district superintendent. Modifications and/or revocation of this agreement will not affect credits awarded to students prior to the revision date.
