Enrollment Pattern Review

Student Name _____   ID#_____

Your 2024-25 Free Application for Federal Student Aid (FAFSA) has been flagged for "Unusual Enrollment History" by the U. S. Department of Education because you received Federal Pell Grant funds at multiple education institutions during the review period 2020-2021, 2021-2022, 2022-2023 and 2023-2024. This flag requires IRSC to review your enrollment history and determine your eligibility to receive federal student aid. In the process of reviewing your enrollment history, IRSC will check the National Student Loan Data System (NSLDS) to obtain a complete history: the name of institutions you have attended, and the dates of attendance. Please visit and click on "financial aid news" for more details regarding Unusual Enrollment History flags.

Please complete the steps below. Your application for financial aid will not be considered until you submit this completed form and required documentation. You will be notified via e-mail of our decision within 30 days of completing these requirements.
