Your 2025–2026 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information the financial aid office at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid office at your school. **YOUR SCHOOL MAY ASK FOR ADDITIONAL INFORMATION.** If you have questions about verification, contact your financial aid office as soon as possible so that your financial aid will not be delayed.

C. Identity Confirmation (June 2025)

Federal regulations stipulate that students selected for V4 or V5 verification must have their identities confirmed. Acceptable forms of verification include, but are not limited to, valid, government-issued, unexpired documentation such as a driver's license, state-issued identification, or passport.

Effective June 2025, students have four options to fulfill this requirement:

- 1.) **In-Person Verification:** Students may appear in person at Indian River State College to verify their identity. An authorized IRSC employee will create a copy of the student's photo ID, annotating it with the date of receipt and the name of the official responsible for collecting the ID.
- 2.) **Notarized Statement:** Students can submit a notarized copy of the verification form along with their unexpired, valid, government-issued photo identification.
- 3.) **Recorded Video Call:** Students may schedule a recorded video call with a financial aid staff member, during which they must present their unexpired, valid, government-issued photo identification. To arrange this call, students should email financialaid-info@irsc.edu. An electronic copy and screenshots of the identification will be maintained in the student's financial aid file.
- 4.) **Third-Party Verification:** Identity verification may also be conducted by an entity compliant with the National Institute of Standards and Technology (NIST) Identity Assurance Level 2 (NIST IAL2). Please note that this option is pending further federal guidance.
