### **From AA to BS – Business Administration**

#### **122 Credits**

**Note: Highlighted courses have been identified as “key courses.” It is strongly advised that students make every effort to pass these courses on the first attempt with a “C” or higher in order to be successful in this program. Please see your assigned advisor or transfer advisor if you have any concerns about your success in these courses.**

#### **Foreign Language Requirement:**

Students who have not taken two years of the same foreign language in high school must complete the second level of foreign Language at the college level to meet the foreign language requirement. See College Catalog.

#### **Internship/Thesis Guidance:**

These classes provide opportunities for students to integrate knowledge acquired through the Business Administration program into an advanced internship experience or an original research project. Due to the demands of the internship/Thesis, registration in the final semester is generally limited to 12 credits. MAN 4940 is recommended for online students or students already working in a business setting.
