Program Description

In accordance with Section 1007.271(21), F.S., Section 1007.273, F.S., and SBE Rule 6A-14.064, the dual enrollment program is the enrollment of an eligible secondary student in a postsecondary course creditable toward both high school completion and a career certificate or high school completion and an associate degree. Dual enrollment, an articulated accelerated mechanism offered jointly by the Trustees and the Homeschool, shall broaden the scope of

curricular options available to students and increase the depth of study available for a particular subject by offering college credit and post-secondary vocational courses to eligible high school students as provided in this Agreement. Stipulations regarding course content, program requirements, student evaluation, faculty credentials, college environment, and strategic planning for dual enrollment courses are covered in SBE Rule 6A-14.064 adopted by the State Board of Education and included within this Agreement, along with the Indian River State College Dual Enrollment Course list website link <https://www.IRSC.edu/programs/dual-enrollment-for-high-school-students.html>.
