STUDENT AND PARENT AGREEMENT

We, the student and parent or legal guardian, agree for the above named to enroll in the Dual Enrollment program offered in coordination with the school district and Indian River State College. We understand the course selection for enrollment will be authorized each term by the high school counselor for courses that are creditable toward the high school diploma. We understand that any course that ends after the date of the student’s high school graduation is not eligible for Dual Enrollment. We agree to abide by the guidelines of the Dual Enrollment program, as well as the College policies and procedures, while enrolled in IRSC. We will cooperate with both the high school and the College in fulfilling responsibilities. We understand that any courses registered for, or grades received, become a permanent part of the student’s college record. At the end of each semester, we authorize IRSC to forward grades to the high school. Because these credits apply towards high school graduation, we understand it is the student’s responsibility to receive approval from the high school counselor for permission to drop or withdraw from a Dual Enrollment course.

Student Accessibility Services - IRSC asks for voluntary self-identification of students with a documented disability. High School accommodations do not automatically transfer into college. Student must apply and submit documentation for accommodations for Dual Enrollment courses. Speak to your Advisor for application and more information.

By signing below, the student applying to enter a Dual Enrollment program, has read, understood, and consents to the agreement above. I authorize IRSC to discuss my college record with my high school counselor and the parent or legal guardian listed below. We certify that all the information submitted in the agreement is true to the best of our knowledge. We understand that any misrepresentation of facts may result in the immediate cancellation of the student agreement or registration. Students who change school locations must notify the College immediately and submit a new form.
